

We hope you are all enjoying our new space and equipment! A huge thank you to everyone that helped on moving day, it was a mammoth effort and we're thrilled with the results. A special thank you to Herbert Morton & Harrison's Carpet for their kind donations, and Wayne Montrose for tirelessly working all day installing the new equipment 😊

Classes start up this week, if you haven't already enrolled get in quick as some classes are almost full.

A gentle reminder to everyone that your term fees are due by the end this week

Our annual end of year prizegiving will be held at our club, followed by a very brief Annual General Meeting. There will be displays from a range of classes.

Club hoodies

Our club hoodies make a great Christmas gift for your gymnast and can be purchased on our website. These are available in kids and adults sizes 😊

Artistic Gymnastics

This term sees the commencement of our Womens and Mens Artistic Gymnastics (WAG & MAG) classes, who are now training for the 2021 competition season. This is the first time there has been a Cambridge squad and we are very excited to support them!

More committee members still needed!

We are currently a very small team of 5, so any help you can give will make a big difference. You don't have to take on a formal role if you wish, just bring your ideas and enthusiasm!

Positions currently vacant:

- **Secretary** (record minutes of monthly meetings)
- **Grants Officer** (apply for funding)
- **Marketing Officer** (promote our club)

We hold an annual strategic planning session in January (date to be confirmed) and welcome your input in our planning for 2021

Housekeeping

Lets ensure all our members stay safe

PARKING

Please park on the front carpark or roadside rather than down the shared driveway. The back parking spaces are for other businesses.

WATER

All gymnasts should be bringing their own water bottle to class. There are cubby holes to put them in and coaches will always encourage them to take a drink break.

SICKNESS

Please do not bring your child to class if they are unwell.

GYM FLOOR

For safety reasons we ask that parents and caregivers do not enter the Gym Floor area (except for preschool classes). While you are welcome to stay and watch from the spectator viewing area by the cubbies or the mezzanine floor, it is not a requirement for ages 5+ classes.

COACH CONTACT

If you need to talk to a coach please do it before or after class. Attempting to talk to coaches during class is a distraction and for safety reasons coaches need to remain focused on the gymnasts.

FEES

Term fees are due by the end of the first week of class. If fees are not paid by the end of the second week and you have not made alternative arrangements with us, your child may be asked to stand down for the session.

Friends of the Committee

Want to help out but don't have much spare time?

In today's world it can be hard to find time to 'give back'. We are first and foremost a volunteer club, so the support of our members is an important part of our club being a success. Therefore we are introducing **Friends of the Committee**. You can give as much or as little time as you like, any amount of time is appreciated. Friends of the Committee gives the chance to be part of our club without having to attend monthly meetings! Simply let us know your name, and If there's a particular area of help you'd like to offer please let us know about that too (eg fundraising, cleaning bee, marketing, help with events...) *We look forward to hearing from you!*
